

# EZ LOADER Engineering Update Memo

**To: ECN Distribution List**

**From: EZ Loader Engineering Department**

**Effective Date: 7/5/2021**

**ECN# 1234**

**Re: 3700# Winch on all Trailers 13000 Capacity and Up**

It was discovered that the 3200# winch was used on three trailers with capacities of 13000 or more. These winches were replaced with the 3700# winch. This ECN contains the necessary revised assemblies.

The affected drawings and locations are as follows:

**Description:**

TIEZ102B 29H 13500 ELE/HYD D3X  
TIA102B 32SJ 13000 ELE/HYD D3X  
TIA102B 33M 14000 D3X
