

EZ LOADER Engineering Update Memo

To: ECN Distribution List

From: EZ Loader Engineering Department

Effective Date: 9-7-2021

ECN# 1250

Re: Oil Bath Cap MOM Restructure

Epicor has the ability to handle external processes. The oil bath caps BOM structure in SYMIX did not allow for this. Updating MOM structure to work with Epicor will give purchasing and inventory control better visibility.

If you have any questions please call.

Thank you,
EZ Engineering
